Now, I'd like you to talk about something together for about two minutes.

Here are some ideas for you to talk about and a question for you to discuss. First you have some time to look at the task.

Now, I'd like you to talk about how people's tastes change with age

As people age their tastes in activities tend to change. If a pensioner were to take up a new activity, what would you suggest?

- Dance
- Crafts
- Interest groups
- Reading/book group
- Sports like yoga

Use the following questions, in order, as appropriate:
- How can elderly people stay active?
- Why do many people get depressed when they retire?
- Some people say that people need a purpose to be happy. What do you think?
- What do you want to do when you retire?
- Do you think retirement will become a thing of the past?
