Now, I'd like you to talk about something together for about two minutes.

Here are some ideas for you to talk about and a question for you to discuss. First you have some time to look at the task.

Now. I'd like you to talk about what the advantages and disadvantages of communicating in these ways are

Technology has revolutionised the way we communicate over the past decade. What are the advantages and disadvantages of people communicating in these different ways?

- Face-to-face meeting
- Giving a lecture
- Writing a letter
- Chatting online
- Using a phone app to send messages

Use the following questions, in order, as appropriate:

- How has technology improved our lives?
- Some people are worried about the influence of technology on our lives. What do you think?
- Will there be mass unemployment in the future because of technology?
- Which jobs will be impossible to replace?
- Are you keen on the idea of artificial intelligence?
