Speaking part 1 is simple; the candidate needs to answer simple questions about themselves and express their opinion based on personal experiences. If they have a lack of experience, they should use the hypothetical tenses:

Work and employment:

1. What do you do?
2. How long have you been doing that?
3. What's the best part about your job?
4. What did you do before what you are doing now?
5. What do you plan on doing in the future career wise?

Places and where you live:

2. How long have you lived there?
3. What's the best part about living there?
4. What would you most like to change about where you live?
5. What is there to do in your neighbourhood?
