Start the story with this phrase:

The phones started to ring and...

I was jogging through the park when suddenly...

I couldn't believe my eyes, on the floor in front of me there was...

I had been looking everywhere and then...

I was going to call my best friends, but...

No matter how much I tried, I just couldn't...

I was walking in the rain when...

I was alone at home when suddenly I heard a noise...

As soon as I heard her voice I smiled...

I left the bar and then realised...

As I took off my jacket I noticed that...

I couldn't resist anymore, I just had to...

My sister had been calling all day, but I couldn't pick up because...

My alarm went off and I just know...

I was going to buy it then I realised...

It was the worst storm I had ever seen and...

As the train was arriving something awful happened...

I was sleeping, but was woken up by...
