SHORT QUESTIONS:

~~And you?~~

We do not usually use “and you?” as it is a very simplified way of asking a general question. You should try to use:

What about you?

What is your impression?

How do you see it?

Can you see my point of view?

What is your take on this?

What is your view?

What is your opinion?

Can you see where I am coming from?

Do you get what I mean?

What do you think?

What do you reckon?

Do you get me?
