B2 FIRST: PART 3 AND 4
(1)

Now, I'd like you to talk about something together for about two minutes.

I'd like you to imagine that you are talking about **the family**. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

If you have to support a family, how might it be difficult to find time to do these things?

- Learn a foreign language
- Get enough exercise
- Go on a weekly date with your partner
- Travel the world
- Go shopping

Now, talk to each other about **how supporting a family might make it difficult to find spare time**.

.....

Thank you. Now you have about a minute to decide **which is the most difficult thing to find time for**.

.....

Thank you.

Now, discuss these questions, in order, as appropriate:

- What do you wish you had more time for?
- What did you do more of in the past that you would like to do again?
- What do you spend too much time doing?
- What can't you stand wasting time doing?
