Now, I'd like you to talk about something together for about two minutes.

Id like you to imagine that you are talking about interests. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

Why might teenagers develop an interest in these fields?

- Fashion
- Celebrity gossip
- Football
- Travel
- ICT (computing)

Now, talk to each other about why these things are popular amongst teenagers.

Thank you. Now you have about a minute to decide which is the most popular thing among teenagers.

Thank you.

Discuss the following questions, in order, as appropriate:

- Do you tend to follow the crowd or make your own choices?
- Have your tastes changed since you were a teenager?
- Why do some things come in and out of fashion?
- What is popular now among people of your age?
- Are you keen on being trendy and fashionable?
