B2 FIRST: PART 3 AND 4 (12)
Now, I'd like you to talk about something together for about two minutes.

Id like you to imagine that you are talking about success. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

How difficult could it be to be a successful student in these areas?

- Engineering
- Teaching
- Medicine
- Language studies
- Sports science

Now, talk to each other about why it is difficult to achieve success in these areas.

……………………………………………………………………………………

Thank you. Now you have about a minute to decide which is the most difficult area to become successful in.

……………………………………………………………………………………

Thank you.

Discuss the following questions, in order, as appropriate:

- What is success for you?
- What role does money have in success?
- Is it easy to be happy all the time?
- Are you a positive or negative person?
- What is your plan in life?
