B2 FIRST: PART 3 AND 4
(13)

Now, I'd like you to talk about something together for about two minutes.

I'd like you to imagine that you are talking about **online shopping**. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

How can shopping online be a risk?

- Identity theft
- Prices
- Size of products
- Quality of products
- Ability to get refunds

Now, talk to each other about **why these things could be risky while shopping online**.

.....

Thank you. Now you have about a minute to decide **which is the biggest risk for online shoppers**.

.....

Thank you.

Discuss the following questions, in order, as appropriate:

- Some people think that online shopping will replace shops. What do you think?
- What are the pros of shopping online?
- How often do you buy yourself new stuff?
- Are you a spender or a saver?
- What's the best way to save money when shopping?
