Now, I'd like you to talk about something together for about two minutes.

Id like you to imagine that you are talking about **quality of life**. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

How could these events improve your quality of life?

- Getting a promotion at work
- Having a child
- Receiving an inheritance
- Going abroad on holiday
- Getting a university degree

Now, talk to each other about **how these things impact on your quality of life**.

.....

Thank you. Now you have about a minute to decide **which of these things will improve your life most**.

.....

Thank you.

*Now, discuss these questions, in order, as appropriate:*

- What is the key to enjoying yourself?
- Can you become happier just by trying to think positively?
- Does your job influence your happiness?
- Are friends important in leading a good life?
