Id like you to imagine that you are talking about **where we live**. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

What benefits might local residents get from these developments in the neighborhood?

- A sports centre
- CCTV cameras
- Youth groups
- Optical Fiber Internet
- A modern shopping centre

Now, talk to each other about **ways to improve the local area**.

.....

Thank you. Now you have about a minute to decide **which would improve the local area most**.

.....

Thank you.

*Now, discuss these questions, in order, as appropriate:*

- How could you improve your local area?
- Does the government invest a lot of money in entertainment in your area?
- Is crime influential in making an area a poor place to live in?
- What are the most important facilities in your local area for young people?
