Now, I'd like you to talk about something together for about two minutes.

Id like you to imagine that you are talking about work. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

Which of these professions offers the greatest opportunity to achieve self-fulfillment?

- Doctor
- Civil Servant
- Fire Fighter
- Inventor
- Teacher

Now, talk to each other about why these jobs could make you feel satisfied.

Thank you. Now you have about a minute to decide which is the most fulfilling job.

Thank you.

Now, discuss these questions, in order, as appropriate:

- What would your ideal job be and why?
- What kind of jobs would you dislike to do?
- Have you ever had a job the stressed you out?
- Should we focus more on our salary or enjoyment at work?
