In speaking part one of the First Certificate B2, the interlocutor will ask you questions in a type of interview. You, as the candidate, should give a 20-30 second answer in fluent and confident English. It is important to think about how the examiner is assessing you. The examiner will make a first impression of your pronunciation and English usage, **IT IS ESSENTIAL TO GIVE A GOOD FIRST IMPRESSION!** As the candidate, you need to think how to do this. Focus on B2 level grammar structures and vocabulary that will make you stand out from the crowd, and thus, demonstrate a B2 level.
