B2 FIRST:
COLLABORATIVE TASK 5

Now, I'd like you to talk about something together for about two minutes.

I'd like you to imagine that you are talking about **phones**. Here are some of the ideas they are thinking about and a question for you to discuss. First you have some time to look at the task.

How easy might it be to live without a mobile?
--

- friendship
- work
- education
- entertainment
- travel

Now, talk to each other about **if mobiles are really necessary nowadays**.

.....

Thank you. Now you have about a minute to decide **which is the best use of mobiles**.

.....

Thank you.

Now, discuss these questions, in order, as appropriate:

- Is it essential to own a phone?
- Why do we spend an average of 4 hours a day using our phones?
- What might be the appeal of not owning a phone?
- What do people usually use their phones for?
- Some people say that phones are ruining our lives. What do you think?
