Picking a language school

You are all studying English, right? I imagine it was difficult to choose a language school _____ to the huge amount of options available. It can be difficult to decide _____ you want a native teacher or not, whether you want to study online or in a language school. I think the _____ important thing to do is to make a list of your priorities, such as how long you want to study for and the reason behind your decision to study. _____ example, if you want to score extra points on a state entrance exam, you are probably looking for _____ fastest and most efficient way to do it. In this case, learning online might be the best, however, if you are learning from zero and you need to build your knowledge of the basics, you should definitely sign up for _____ language course with an experienced teacher.
