B1 OPEN CLOZE: RAISING CHILDREN

READING PART 6: OPEN CLOZE GAPS FILL. FILL IN THE GAPS WITH ONE WORD

## Raising children

All parents, no matter how confident they seem, have troubles \_\_\_\_\_ they are raising their children. It makes \_\_\_\_\_ difference if you are a first time parent or with bags of experience, having children is a difficult thing to do and we all have the sensation \_\_\_\_\_ time to time that we are getting it all wrong. This is because bringing up a child is not \_\_\_\_\_ exact science as it depends on too many factors to be able to master it. The \_\_\_\_\_ advice on offer is in best selling child psychology books and from those closest to you, those who know you best, your friends and family. This is because the most important element in raising a child is time, not money \_\_\_\_\_ so many people tend to believe.

Answers:

## Raising children

All parents, no matter how confident they seem, have troubles **when** they are raising their children. It makes **no** difference if you are a first time parent or with bags of experience, having children is a difficult thing to do and we all have the sensation **from** time to time that we are getting it all wrong. This is because bringing up a child is not **an** exact science as it depends on too many factors to be able to master it. The **best** advice on offer is in best selling child psychology books and from those closest to you, those who know you best, your friends and family. This is because the most important element in raising a child is time, not money **like** so many people tend to believe.
