B1 READING (PART 5):

For each question, choose the correct answer (A-D):

Most people find it hard to \_\_\_\_\_ (1) for and fewer people are willing to offer it, but help is a key part of being human. Our species needs to collaborate to survive as we have never developed physical defence mechanisms \_\_\_\_\_ (2) claws.

Nowadays we have \_\_\_\_\_ (3) need for physical forms of protecting ourselves, however, we need to use our \_\_\_\_\_ (4) to maintain the delicate balance which is our superiority over the natural world.

People need help in many \_\_\_\_\_ (5) of their lives; financial support and advice are common things that people might need. So, don't be \_\_\_\_\_ (6) to look for help from friends and family if it is necessary.
