C1 ADVANCED:
COLLABORATIVE TASK 3

Now, I'd like you to talk about something together for about two minutes.

Here are some ideas for you to talk about and a question for you to discuss. First you have some time to look at the task.

Now, I'd like you to [talk about relationships and family related issues](#)

What kinds of issues might arise from cracks in these relationships?

- Siblings
- Housemates
- Workmates
- Neighbours
- Parents and teenage offspring

Discuss the following questions, in order, as appropriate:

1. Some people say that it is tough to work with friends or family. Do you have a similar opinion?
2. Do you prefer spending time with friends or family when you want to have a good time?
3. Your siblings are the most important people in your life and those that are most likely to stick by you during times of trouble. Has this been your experience?
4. Your parents should guide you to make good decisions, not try to be your friends. Do you agree?
5. Do you share the opinion that blood is thicker than water and your family is the most important thing in life?
