C1 ADVANCED:  
COLLABORATIVE TASK 5

Now, I'd like you to talk about something together for about two minutes.

Here are some ideas for you to talk about and a question for you to discuss. First you have some time to look at the task.

Now, I'd like you to [talk about human advancement and standard of living](#)

How of these areas of our lives been improved by human progress and technological advancements?

- Transportation
- Energy production
- Communication
- Entertainment
- Health and well-being

*Discuss the following questions, in order, as appropriate:*

1. In which ways has technology made our lives easier?
2. How far would you say that technology has made us negative and superficial?
3. Some people say that humans are doomed as they cannot do anything in moderation. Do you agree?
4. Do you think that the way we are communication nowadays is becoming trivial?
5. Is it easier to keep amused nowadays than it was in the past?
