Now, I'd like you to talk about something together for about two minutes.

Here are some ideas for you to talk about and a question for you to discuss. First you have some time to look at the task.

Now. I'd like you to **talk about friendships**

How effective are these ways of keeping in touch with friends?
--

Discuss the following questions, in order, as appropriate:

- Some people say you are lucky to have just a hand full of close friends in your life. What do you think?
- Would you rather have plenty of friends or just a few close ones?
- Why do some people value their friends over their family members?
- What kinds of experiences are great for making friends?
