Every day, my friend has a piece of toast and a glass of orange juice for breakfast, but she never drinks coffee. She usually has a shower before she goes to school. At school she eats pizza or salad for lunch, but she is keen on pizza too, but only at the weekends. She likes drinking water with her lunch. Every evening she eats vegetables for dinner, but she doesn't like peas so she always leaves them. She likes her routine because it is healthy.
