I love fashion and I am interested in clothes. I normally wear a uniform to school and I wear a blue tracksuit and a white t-shirt. On weekends I like wearing blue jeans and a white t-shirt, but I sometimes wear a skirt or shorts in summer. When I do sport, I like wearing my yellow t-shirt and black shorts, but I never wear orange clothes because I don't like them. In summer, I often wear shorts and a t-shirt and I usually wear flip-flops too. I never wear gloves in winter because I don't like them. I normally wear a coat, a scarf and a jumper. I love clothes because we can wear lots of different things and I like looking cool. That is why I wear lots of accessories. I always wear earrings and a ring, but I never wear a wristband. I always wear a watch too. What do you like wearing?
