My daily routine is really great and I love it. I always get up at 6:45 and I normally have coffee and cereal, but I sometimes have toast for breakfast. I often walk to school, but I sometimes go by car. I go to school with my mum, but on Mondays and Fridays, I go with my dad too. I usually have maths at 9:00, but I sometimes have PE. I never have German because I think it is boring. My teacher's name is Marc and he is really cool and clever. That is why English is my favourite lesson. I always have a break at 11:00, but I never have lunch at school. I have lunch at home and I normally eat lunch at 14:30. After school I do my homework, watch TV and play video games. I never play tennis or go swimming. I normally have dinner at 20:15 and I have a shower after. I usually go to bed at 21:00. What is your daily routine like?
