B2 PEOPLE'S OPINIONS

1. How important is it to make a good first impression?
2. Do you think it is important to have similar interests to someone if you want to get along with them?
3. Does it concern you if you do not get on with someone, at work for example?
4. Who do you most look up to in the world, and why?
5. Can a person be truly happy on their own?
6. Do you generally depend on other people to feel happy?
7. When should people stop caring about what other people think of them?
8. Is it ever ok to criticise someone or put someone down?
9. How do people normally form opinions about other people, due to their appearance, personality or actions?
10. Is it important to have a good reputation with your peers?
11. Would you rather be good-looking, intelligent or have a great sense of humour?
12. Do you care about what other people think or say about you?
13. Which type of behaviour is perceived as being rude or impolite in your country?
14. Are the people in your family or friendship group very judgemental?
15. Have you ever fallen out with someone because of the way they treated you?
16. How do you normally react when you argue with someone?
17. Is it part of human nature to change your personality and evolve?
18. Have you ever grown apart from a very close friend?
19. Who do you normally look to for advice?
20. How far do you agree with the saying 'better alone than in bad company'?
