B2 PLACES AND WHERE
WE LIVE

1. What's great about living in big cities in your country?
2. If you could choose to visit a city that you have never been to before, which would you go for?
3. Would you consider moving abroad for the rest of your life?
4. How could we reduce crime in large cities?
5. What would be a great way to provide free entertainment for the inhabitants in big cities?
6. Are there advantages to living in a small town rather than living in a big city?
7. Are you keen on the idea of living in a different city for a short period of time to study or work?
8. Would you prefer to live in an urban or rural area?
9. Do you think children have a better upbringing (childhood) in the city or the countryside?
10. To what extent would you say that citizens in your country value the environment and seek to protect it?
11. How far would you say that public transport is efficient in your country?
12. What are the drawbacks to living in a small town, compared to living in a big city?
13. Would you move to a different city if you met a partner from somewhere else?
14. How has the way we live in large cities evolved over the past century?
15. Is the standard of living better now compared to a decade ago?
