# Intercambio Idiomasonline

C1 GETTING ON WITH OTHERS

1. Which factors come into play when choosing friends?
2. What aspects of a person's personality make a difference when we form a friendship?
3. Are you the kind of person who is aware of your friends needs and willing to do them a favour?
4. Are you the kind of person that beats around the bush when you meet new people or do you start up a conversation with ease?
5. Do you tend to hold down a large friendship group or do you have only a few close friends?
6. Some people state that if you have 5 real friends in your life, you are among a lucky few. Would you agree?
7. Would you consider yourself to be an outgoing and sociable person?
8. What might happen to a person's well-being if they have no friends?
9. Do you have any friends that you would go to the end of the earth and back for?
10. How do you generally keep in touch with your friends?
11. Are social media sites a good means of making new friends?
12. Are you close to anyone who you met during your childhood?
13. Which issues can arise in the breakdown of a close friendship?
14. Do you reckon that regular contact is important to maintain a close friendship?
15. In which ways has your best friend influenced you in a positive way?
