

**Questions:** ask your classmates about their summer plans

Are you going to...? Yes, I am. No, I'm not.

Are you going to...?				
visit your family				
go to the beach				
go to the mountains				
swim in the pool				
take photos				
take a picnic				
go on a boat				

Now write a short text about what **you are going to do** next summer.

*Example: I am going to go to the beach but I am not going to swim in the pool. I am going to take photos, but I am not going to take a picnic.*
