

My Holiday Plans

Correct the text:

I'm going to ~~visit~~ **visiting** the UK next year. My family and I are going to going sightseeing and buying some souvineirs. We are going to doing lots of fun things like we are going to visiting Camden Town and go shopping. We are going to visiting museums, but we are not going to sunbathing. We are not going to the beach because London is far from the coast. My sister is going to riding a camel because she is going to Lanzarote instead of London. She is going to sunbathe and building a sandcastle on the beach. She is going with her friends because she is 19. She is going to go camping and also going kitesurfing.
