

Now, I'd like you to talk about something together for about two minutes.

I'd like you to imagine that you are talking about **opinions and freedom of speech**. Here are some of the ideas you might be thinking about and a question for you to discuss. First you have some time to look at the task.

On what occasions is it a good idea to speak your mind?

- at work
- in a restaurant
- with your family
- at school
- with your friends

Now, talk to each other about **in which situations it is ok to speak your mind**.

.....

Thank you. Now you have about a minute to decide **which is the worst situation to speak your mind**.

.....

Thank you.

Now, discuss these questions, in order, as appropriate:

1. Do you generally speak your mind?
2. Some people say that you can sometimes be too truthful. What do you think?
3. What problems can come from speaking your mind too often?
4. Have you ever got into trouble for speaking your mind?
5. When was the last time you had to speak your mind to someone you cared about?
