

EXAMPLE 33

Now, I'd like you to talk about something together for about two minutes.

I'd like you to imagine that you are talking about **leisure**. Here are some of the ideas you could be thinking about and a question for you to discuss. First you have some time to look at the task.

Is it hard to have fun in your free time without spending a lot of money??

- doing things with family
- going out with friends
- going on trips
- spending time around the house
- doing different sports

Now, talk to each other about **the different types of activities that you can do on a small budget**.

.....

Thank you. Now you have about a minute to decide **which is the best activity to do with little money**.

.....

Thank you.

Now, discuss these questions, in order, as appropriate:

- What do you usually do when you want to spend some time alone?
- Some people think it is nearly impossible to enjoy your leisure time without spending money. Do you agree?
- Do you prefer spending your free time alone, with friends or with the family?
- Are you keen on going out with friends on a night out?
- What is the most enjoyable way to spend your leisure time?
