**My bucket list**

What will you think about on your deathbed? The mistakes you \_\_\_\_\_ (1) or what you wish you had done, but you never did. It is often said that people \_\_\_\_\_ (2) the end have the tendency to regret the things that they never found time for or \_\_\_\_\_ (3) had the courage to do. Most people want to do typical things \_\_\_\_\_ (4) travel or even buy a specific possession, but everyone wants to experience something or other. \_\_\_\_\_ (5), it might be a good idea to make a bucket list. A bucket list is a type of list of experiences \_\_\_\_\_ (6) you want to have or do before you die. It is a list of objectives or aims, if you like. \_\_\_\_\_ (7) it be to skydive, visit an important monument or have an extreme experience. I, \_\_\_\_\_ (8) sure, am keen to not feel remorse in my final hours of not living life to the full and for that reason I hope to give everything a try. I will do everything that I feel I should do as long as it does not harm anyone.
