

**USE OF ENGLISH: OPEN CLOZE**

**Is sport important?**

I personally love exercising. Working \_\_\_\_\_ (1) has never been a chore for me, but in saying this, I realise \_\_\_\_\_ (2) not everyone shares my experience on the matter. There are \_\_\_\_\_ (3) that have trouble getting up off the sofa and even struggle to find the time \_\_\_\_\_ (4) do sport. The great thing about sport is that it is \_\_\_\_\_ (5) good for you physically and it also aids your mental health. To participate \_\_\_\_\_ (6) sport, you do not have to be an elite athlete nor do you need to be part of a team as you can do many sports individually. There are sports for all shapes and sizes, for all seasons, weather conditions and terrains. That is \_\_\_\_\_ (7) makes it so special. For anyone who wishes to get \_\_\_\_\_ (8) sport, there is so much information available about it and you can always give several sports a go until you find the one you really enjoy. So, is sport important? Well, of course it is!

## Is sport important?

I personally love exercising. Working **out** has never been a chore for me, but in saying this, I realise **that** not everyone shares my experience on the matter. There are **those** that have trouble getting up off the sofa and even struggle to find the time **to** do sport. The great thing about sport is that it is **both** good for you physically and it also aids your mental health. To participate **in** sport, you do not have to be an elite athlete nor do you need to be part of a team as you can do many sports individually. There are sports for all shapes and sizes, for all seasons, weather conditions and terrains. That is **what** makes it so special. For anyone who wishes to get **into** sport, there is so much information available about it and you can always give several sports a go until you find the one you really enjoy. So, is sport important? Well, of course it is!
