Optimise your spare time

Most people love hanging **out** with friends and being sociable, but I want to propose another angle **of** looking at it. Alone time! Spending time alone or what some people **now** call “Monk Mode” is a great way to make the **most** of your free time. Everyone should spend time on their **own** to read, reflect and exercise. **In** this way they will be able to understand what they really want and need. I would say that tendencies are changing and people are evolving. People seem to be shying **away** from alcohol and conventional ways of socialising in order to become better, feel better and take advantage **of** their time.
