

**USE OF ENGLISH: OPEN CLOZE**

**Dogs: a man's best friend**

Not everyone is a fan of having pets. Some might prefer \_\_\_\_\_ (1) live a solitary lifestyle or even have \_\_\_\_\_ (2) the company of \_\_\_\_\_ (3) humans, but it is hard to deny \_\_\_\_\_ (4) dogs make great company. They are honest, loyal and \_\_\_\_\_ (5) always pleased to see you. Their needs are basic which of course eases \_\_\_\_\_ (6) life of the owner. It is \_\_\_\_\_ (7) like having a spoiled child that may demand something unattainable. Dogs are also a great form of entertainment as they \_\_\_\_\_ (8) you up off the sofa to take them for a walk. This is why so many of us see the company of dogs as being the missing piece in the puzzle of living an enjoyable and fulfilling life.

## ANSWERS

### **Dogs: a man's best friend**

Not everyone is a fan of having pets. Some might prefer **to** live a solitary lifestyle or even have **only** the company of **other** humans, but it is hard to deny **that** dogs make great company. They are honest, loyal and **are** always pleased to see you. Their needs are basic, which, of course, eases **the** life of the owner. It is **not** like having a spoiled child that may demand something unattainable. Dogs are also a great form of entertainment as they **get** you up off the sofa to take them for a walk. This is why so many of us see the company of dogs as being the missing piece in the puzzle of living an enjoyable and fulfilling life.
